

ROYAL HIGH INTERNATIONAL SCHOOL is the perfect model of a 21st Century compliant school for your child.

Since the establishment of Royal Kids Int'l School in 2007, it has stayed consistent in delivering quality education in early learning which can be clearly seen in the distinctions bagged by her pupils in external examinations, even of International standard.

RKIS runs a rich blend of Cambridge curriculum and Nigerian curriculum, creating a level playing ground for her pupils to shine and fit in locally and globally.

We engage in virtual interactive learning and promote group activities.

Thank you for choosing **ROYAL HIGH INTERNATIONAL SCHOOL** as a partner in your child's educational development.

MISSION STATEMENT

Raising future royalties full of God's excellent spirit that will set precedence in the educational system and the world at large.

OUR VISION

To meet the developmental needs of every child by providing experiences that are challenging and promote social, economic, physical and academic growth.

OUR CORE VALUES

Accountability, Commitment and Excellence.

POLICY STATEMENT

It is the policy of **ROYAL FAMILY** to admit all children without regard to race, colour or national origin.

OUR CURRICULUM

We run a rich blend of Cambridge curriculum and Nigerian curriculum alongside with an.

Our curriculum focuses on developing children's learning through structured learning goals, these goals include subject goals, personal learning goals and international learning goals.

Under our goals, the child learns how to develop a deep understanding of subjects such as Mathematics, Literacy, Science, Agric. Science, Design & Technology, ICT, History, Geography, Music, Physical Education, Art & Design, PSHE, Home Econs. etc. which will equip the child with the essential 21st-century skills.

This Curriculum is child-centered and teacher friendly. This enables your child to take responsibility for his or her learning by involving in activities such as planning, researching, recording and interacting with teachers and other students.

We believe this curriculum blend will produce a total child that can cope all around the world. Remember the world today is a global village and effective communication is the key to success.

EXTRA-CURRICULAR ACTIVITIES

- Ballet & Cheerleading Club
- RKIS Cuisines Kitchen Club
- Coding & Robotics Club
- Young Explorers Club
- Music Club
- Elite Club

No child is expected to participate in more than two clubs in order to give room for academics.

Our Staff

Our teachers are highly motivated university graduates. We also have proficient non-academic staff and care givers.

We invest in staff training and development to enhance professional growth and development. Our team of staff are committed, passionate and always accessible.

DISCIPLINARY PROCEDURES

The school employs a number of measures to enforce the school rules and to ensure a safe and positive learning environment.

Disciplinary measures which are applied as appropriate include:

- Isolating a child from the rest of the class when disruptive.
 - Standing aside when late to school.
 - Standing at the back of the class with eyes closed.
 - Forfeiting some privileges such as break time/playtime.
 - Writing of repeated sentences.
 - Confiscation of contraband items or items which cause distraction, etc.
- If a child repeatedly violates the code of conduct for behavior even after appropriate disciplinary measures have been taken, the parents will be invited to have a conference with either the class teacher or the Head of school. Corporal punishment by teachers is not allowed in the school.

SCHOOL ASSEMBLY

The school assembly holds on Mondays, Wednesdays and Fridays while the class assembly holds on Tuesdays and Thursdays.
